

14th Annual Pets in the Park Sunday, July 14, 2019

EVENT OVERVIEW

Who

Saskatoon Pets in the Park Inc. is a registered charity founded in 2006. Members include representatives from the three founding animal welfare agencies: **New Hope Dog Rescue**, the **Saskatoon SPCA**, and **SCAT Street Cat Rescue Program**, as well as several very dedicated animal lovers from the Saskatoon community.

What

This annual summer time fundraiser - "**Pets in the Park**" also known as "**PIP**" for short - is extremely popular with animal lovers in the Saskatoon community. It combines fun for the entire family with fundraising for a great cause.

Every July **leashed** pets are granted permission by the City Council to accompany their human families in one of Saskatoon's most picturesque downtown parks – Kiwanis Memorial Park **North**.

Great on-stage entertainment continues the jazzy musical tones set from the previous week's jazz festival. Dog demonstrations include everything from dog agility, flyball and even the Saskatoon Police Canine Unit whenever they are available. Lots of dog activities and pet-related businesses and service vendors attend for the target audience. There is a huge silent auction with every item imaginable.

For pets, Nail Trims by PetSmart and microchipping by the Western College of Veterinary Medicine will be available to raise funds. There are doggie pools to enjoy, and a free doggie biscuit while you browse the Silent Auction tent.

To top the day off, the pet can also have his portrait photo taken by a local professional photographer. Each photo taken by the photographer

also gives that pet a chance to be picked as the following year's poster pet.

Why

Funds raised at this event go to provide medical care for sick, injured and orphaned homeless animals under the care of the three founding organizations. Your generosity helps these animals to build their strength and to prepare for their second chance at a happy and safe home.

"...it occurred to me that interest in and affection for the animals that share the planet with us may be a more unifying force than any other." Nick Clooney, journalist, anchorman, TV host, politician, brother of singer Rosemary Clooney and father of actor George Clooney.

WHY SPONSOR?

PIP is a valuable opportunity to connect with thousands of animal lovers and potential clients. It allows you a chance to show off your community spirit and how you and your business care about the plight of homeless animals in the Saskatoon community.

- ♥ display your name, logo and product or service to a market of thousands of pet owners and animal lovers;
